Aluminum Bike Phone Holder

For Motorbikes, Bicycles, ATVs or Exercise Bikes

Art. No.: AA0146

Keep Your Phone Safe on Every Adventure

This strong aluminum bike phone holder holds your phone securely to the bike even on bumpy roads. With the width adjustment, it is the perfect universal bike holder. Stay connected and safe all throughout your ride.

3.5-7"

Ø2.22-3.18 cm

FIXATION DESIGN

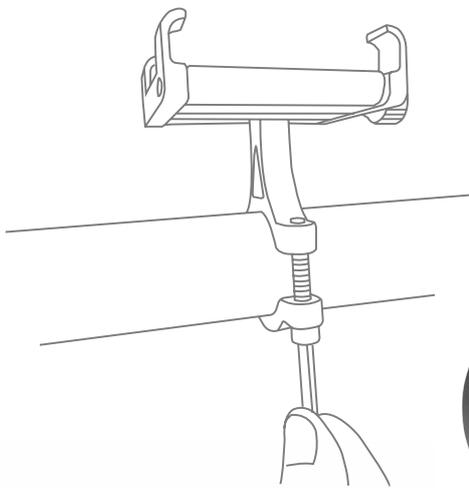

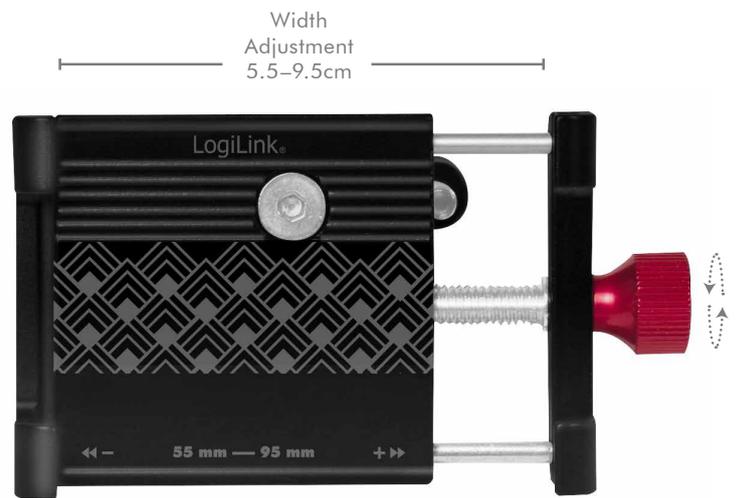

SHOCKPROOF

Security that You Can Count On

Made of high quality aluminum alloy with strong claws to hold your phone tightly, preventing it from falling out even on the bumpiest of roads.

Easy to Install in Just Minutes

Effortlessly install the bike phone holder with included allen wrench; the extra rubber spacers protect your device from scratches and impacts. Quickly mount and unmount by rotating the knob on the side.

Universal Fit

Fits on most universal handlebars of around 2.22-3.18 cm in diameter: motorbikes, bicycles, ATVs, exercise bikes, treadmills, strollers and much more. Keeps your smartphone firmly held in place along your journey.
