100-Word Product Description	Move like lightning on a large playing field. The MM500 v2 boasts a high-density hybrid cloth surface that tracks movement in all directions accurately. A spill-proof coating protects your desktop from accidents and guards against humidity. When playing on the MM500 v2, your game will never become unraveled – the mouse pad’s anti-fray stitched edging holds up in the most rugged conditions. With a sturdy 3mm non-slip natural rubber base, the MM500 v2 lets you seize the surface and take total control.						
50-Word Product Description	Move like lightning on a large playing field. The MM500 v2 boasts a high-density hybrid cloth surface that tracks movement in all directions accurately. A spill-proof coating protects your desktop from accidents and guards against humidity. When playing on the MM500 v2, your game will never become unraveled – anti-fray stitched edging holds up in the most rugged conditions.						
25-Word Product Description	Move like lightning on a large playing field. The MM500 v2 boasts a high-density hybrid cloth surface that tracks movement in all directions accurately.
