

# PHILIPS

## 5000 Series Kettle

### Eco Conscious Edition

100% Bio-based plastics\*\*

1.7 litre capacity

Cordless + 360° pirouette base

Silk white matte finish

# Highlights

## Quick and Easy

Get your favourite wake-up beverage quickly and easily every morning, with this powerful kettle.

## 1.7 L capacity

With a 1.7 litre capacity, this kettle is suitable for the whole family. Even with its large capacity, its compact design takes up minimal space on your countertop.

## Water level with cup indicator

The handy water level indicators, including one-cup indicator, make sure that you only boil the amount of water that you need, saving both energy and water and helping to contribute to a better environment.

## Flat heating element

Concealed stainless steel heating element enables fast boiling and easy cleaning.

## Pilot light

Elegant indicator light incorporated on the power switch illuminates when the kettle is turned on.

## Micro-mesh filter

The removable micro-mesh filter on the spout captures tiny limescale particles as small as 200 microns to ensure a clear cup.

## Auto switch-off

The automatic switch-off function turns off the kettle when the water is ready or when the kettle is lifted from the base.

## Cordless + 360° pirouette base

The cordless kettle sits precisely on a 360° pirouette base for easy lifting and seamless replacing.

## Recyclable and Durable

Sustainably designed using 100% Bio-based plastics\*\* to reduce its CO2 footprint by 25%\*. This breakthrough material is sure to have a big impact on your kitchen while supporting a more positive outcome for the environment.

## Safe and Sustainable

100% Bio-based plastics\*\* are made from biological and renewable resources, like sunflower oil. Used oil left over from cooking is collected and recycled through an eco-friendly process to make it suitable for contact with food. Kettle has a multi-safety system to prevent it being operational without water.

# Specifications

## Country of origin

Made in: China

## Weight and dimensions

Weight of product: 0.84 kg

Dimensions of product (LxWxH):

226 x 159 x 255 mm

## Design and finish

Colour(s): Silk white matte

## Technical specifications

Cord length: 0.8 m

Power: 1850 - 2200 W

## Design and finishing

Material of main body: 100% Bio-based plastic

## General specifications

Product features: Automatic shut-off, Water Level Indicator, 1-cup indicator, On/off switch, Pilot light indicator, Micro-mesh filter, Cordless

with 360 ° base, Sustainable design, Safe and sustainable, Modern & Minimalistic, Pure & Simple

## Service

2-year worldwide guarantee

## Sustainability

User manual: 100% recycled paper

Packaging: > 90% recycled materials
