

Philips Daily Collection
Toaster - 2 slice, wide slot,
Metal

8 settings

Compact Design
Integrated bun warming rack

HD2516/90

Crispy golden brown toast every day

With 8 settings and an integrated bun warming rack

This compact toaster comes with 8 settings and 2 large variable slots, so you get even toasting results with all different bread types. The integrated bun rack also allows you to warm your favourite buns, pastries and rolls easily.

Easy to use

- Reheat, defrost in one go
- Removable crumb tray for easy cleaning
- High lift to safely take out smaller pieces
- Cancel button for instant shut-off

Even toasting results

- 8 browning settings for individual preference
- 2 large variable slots for different sizes of bread
- Integrated bun rack for heating rolls, pastries or buns

Safety and hygiene

- Extra auto shut-off protection

PHILIPS

Highlights

8 browning settings

8 settings allow you to toast different types of bread without the risk of getting it burnt. Adjust the browning setting to your preference and get your toast the way you want it.

2 large variable slots

2 large variable slots for different sizes of bread. The bread is kept in the centre for even browning results on both sides, thanks to the self-centring feature.

Integrated bun rack

Integrated bun rack to warm your favourite buns, pastries and rolls easily.

Reheat, defrost in one go

The reheat function warms toast in seconds, and the defrost function helps to toast frozen bread in one go.

Cancel button for instant shut

The cancel button stops toasting at any time for safe and precise operation.

Removable crumb tray

Easy to clean thanks to the removable crumb tray.

High lift function

High lift feature to easily remove small pieces of bread.

Extra auto shut-off protection

Extra auto-off protection protects the product against short circuit.
